

Welcome to Gorghi Tondi

Hospitality by Nature.

Vineyards as far as the eye can see overlooking the Mediterranean, lying on limestone lands, scattered with red clays, kissed by the sun and the constant sea breezes. All around the Mediterranean maquis, marshy areas, and Saracen olive trees.

This is Gorghi Tondi, an unspoiled *habitat* of an extreme, beautiful and suggestive Sicily, set inside the Nature Reserve [Lago Preola and Gorghi Tondi](#)*. Experiencing it means to embrace wine culture, protection of the territory, and beauty of the landscape.

We are located a stone's throw from Mazara del Vallo, its historic center, the kasbah and the museum of the Dancing Satyr statue, with its unmistakable gastronomy made of couscous and red prawn; the coast, very close and with its crystal-clear sea, is a destination for surf and kitesurf enthusiasts, in the nearby Puzziteddu spot, and for archeology lovers as well, there is the archaeological areas of Segesta and Selinunte. All elements that make Gorghi Tondi an unmissable destination for quality tourism.

Experiencing wine at Gorghi Tondi therefore takes on a particular value: the care taken in welcoming visitors to the winery and the tasting opportunities offered in the Wine Shop are, that are the sign of a passionate and attentive hospitality approach.

** Tenuta Gorghi Tondi does not arrange guided tours to the regional reserve of Lago Preola and Gorghi Tondi. It is however possible to book, subject to availability, a visit with qualified personnel of WWF Italia Onlus, the entity responsible for the management and protection of the Reserve itself, by contacting them directly.*
